

*Leach Drain Installation*

Project Location	Port Bouvard, WA, AUSTRALIA	Completion Date	February 2003
Project Details	Leach Drain Installation		

*Entrance to the succesful complex using Atlantis Water Management System.*

Port Bouvard in Western Australia has found a solution to develop this large area according to the requirements from the local government and EPA. They have adopted the environmental system developed by Atlantis.

*Excavation to install the Atlantis Ecological Tanks*

*Covering Atlantis Ecological Tanks with Geotextile.*

*Backfilling of Atlantis Ecological Channels with permeable material.*

*Job happily finished and ready for final development.*

**Distributor:**

**Note:** Atlantis® products are manufactured from high quality recycled materials, carefully selected and under strict quality control procedures. The strength could vary slightly due to raw material, country of manufacture, manufacturing process and external conditions.

**Safety Factors:** Engineers, designers and geotechnical engineers should design and calculate safety factors to a serviceable limited state to suit specific project. In case of doubt, consult your nearest distributor or Atlantis representative.

**Disclaimer:** All information provided in this publication is correct to the best knowledge of the company and is given out in good faith. This information is intended only as a general guide, no responsibility can be accepted for any errors, omissions or incorrect assumption. As each project is unique, and as Rebirth Pty Ltd, Atlantis Water Management, Atlantis Corporation Pty Ltd and its distributors and agents world wide have no direct control over the methods employed by the user in specifying, installing or supervising of its products hence no responsibility is

accepted by Rebirth Pty Ltd, Atlantis Water Management, Atlantis Corporation Pty Ltd and its distributors and agents world wide. Users should satisfy themselves as to the suitability of the product for their purpose.

All product designs, and specification are subject to change without further notice. All Atlantis® products are tested in approved NATA laboratories, and safe allowed tolerances should be practised in the actual field, to compensate for any unforeseen situations, on site and on products.
