Improve the look and safety features of your home - consider our range of Owlia LED deck spotlights as the perfect addition to your external living areas.

 Easy Installation - Plug & Play System

 50,000 Hour Lifespan

 Low energy usage

 Remote control with LED Dimmer

 Low voltage 12V offering safety

 Backed by a 3-year limited warranty

Owlia LED spotlights with an almost unlimited lifespan (50,000 hours) are now available in two ranges: KOS LED Lights and SIROS LED Lights.

SIROS LED LIGHT

The SIROS deck spotlights are durable, made with 304 stainless steel.

They are a great addition to any deck, path, or stairs.

KOS LED LIGHT

The KOS deck spotlights are high quality, made with 316 stainless steel.

The aluminium body makes them perfect for coastal homes and around the pool.
