## INTRODUCING A NEW CLASS OF SHADE

Curated shade for inspirational & dynamic spaces

## Introducing a New Class of Shade.

Shadowspec's collection of outdoor umbrellas provide class and style to outdoor settings no matter the location. With over 25 years' experience in research, development and manufacture of shade and protection products, Shadowspec has built an unparalleled product range with a reputation of real-world value - supplying world-leading designs with enduring quality.

Shadowspec outdoor umbrellas are constructed from marine-grade materials including stainless steel and single-extrusion aluminium. Our comprehensive range of stock and custom fabric colours provide exceptional UV sun protection, are water-repellant and colour-fast. Our elegant, effortless shade systems are here to help you sculpt your outdoor space into an iconic, warm and welcoming space.

### SHADOWSPEC UNITY™

page 4

Engineered and hand-built at the Heron Base, the Shadowspec Unity™ is our new flagship premium outdoor umbrella. We've created an umbrella that stands up to everyday use whilst being easy to use and quick to deploy.

### SHADOWSPEC SERENITY™

page 10

Rotate your way to perfect shade with the exceptional design of the Shadowspec Serenity™. Our smart umbrella is designed to be adjustable and enduring. Lighten the load with Shadowlift technology and a built-in LED light.

### SU2

page 17

The hunt for shade at your cafe/restaurant, resort or home needn't travel any further. The SU2 Cafe & Resort Umbrella is here to provide your space with a steady, curated shade.

### SU3

page 23

The SU3 Wall Mounted Umbrella is designed for small and unique residential spaces and can be mounted on posts, pillars, walls and beams giving you the flexibility to sculpt the shade to suit your home.

### SU4

page 28

Our easy-to-use tilting SU4 umbrella, designed to move shade with you. Offset your shade to create a social environment in any of your outdoor spaces.

### SU10

page 34

The SU10 is engineered to work hard in a range of applications, al fresco dining, poolside at the resort or as a patio umbrella outside the cafe. The size, strength and clever design set the SU10 apart.

## SHADOWSPEC UNITY™

### The Evolution of Shade. Innovative, modular and exclusive.

The Shadowspec Unity™ has been crafted with premium-grade aluminium and stainless steel to provide you with an umbrella that stands up and stands out.

Every component is designed and engineered to survive in the wild. Taking inspiration from nature, this flagship model is easy to open and looks stunning in any outdoor setting. It's an outdoor shade solution perfect for hospitality or home.

The Shadowspec Unity™ sits squarely (or octagonally) in a class of its own. You'll find no antiquated crank handles, cables or internal moving parts that create a laborious process and are prone to breakage.

You'll continue to be inspired by this brilliant, modern and modular outdoor shade umbrella. The needle-shifting features get better with every open and every new discovery of innovation you make.

## SU3 WALL MOUNTED UMBRELLA

### **Adaptable, modest, and convenient. Versatile shade for unique spaces.**

The SU3 Wall Mounted Umbrella is designed for small and unique spaces and can be mounted on posts, pillars, walls and beams giving you the flexibility to sculpt the shade to suit your needs.

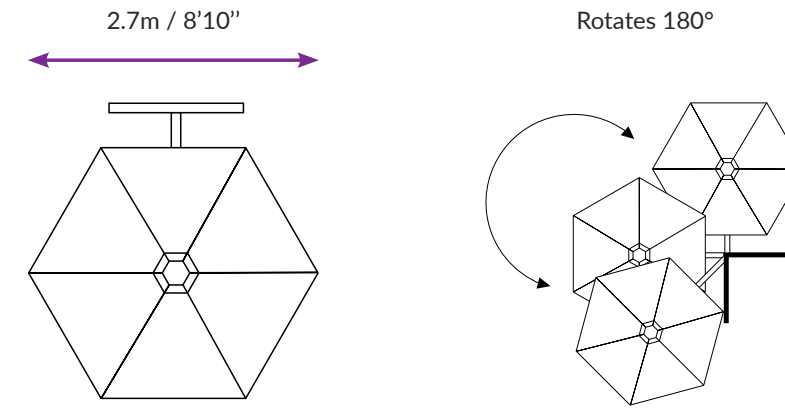

This wall mounted sun umbrella is ideal for shading your spa pool from the sun as the canopy has UPF 50+ which blocks 98 percent of the sun's rays.

Cover your patio, balcony, deck or courtyard. The SU3 wall umbrella can be folded down, covered or put away for storage when it's not required. If you've got an outdoor nook that needs shade to finish it off, then the SU3 wall mounted outdoor umbrella is here to create a unique outdoor experience for you and your guests.

## SU4

### TILTING OFFSET UMBRELLA

**Refined, functional and adaptable.  
Simple shade with clever capabilities**

The SU4 is our easy-to-use tilting umbrella, designed to move shade with you. Offset your shade to create a social environment in your outdoor spaces, open-up the conversation with clear sight-lines for an intimate and practical experience.

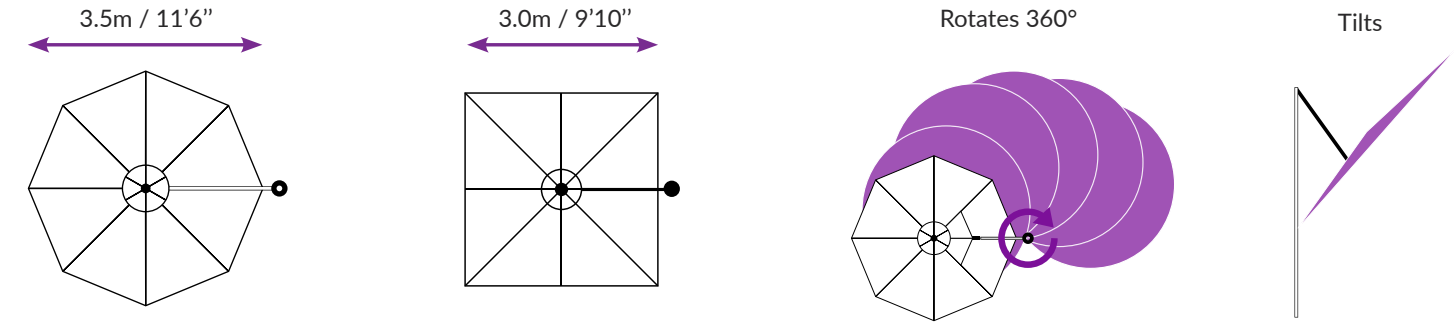

The standout feature of the SU4 Umbrella is the ability to not only rotate 360 degrees but it can also tilt to almost vertical making it the ideal tilting sun umbrella.

Engineered to provide effortless shelter for all environments, the SU4 is the perfect tilting patio umbrella for your home or tilting sun umbrella for your café or restaurant. The cantilever design enables you to get the most out of your space.

Unlock the potential of your space with the Su4 patio umbrella tilt mechanism that's built to last and built to perform.
